The conference will be a celebration of the tremendous success of the Hearing Voices Movement with presentations from experts by experience and experts by profession from around the globe, sharing stories of courage, optimism and determination and the many ways that people have found to transform themselves and the worlds we live in.

The conference will be held in the tranquil setting of Sherwood Village Centre Parcs, Nottinghamshire England. The village is set in 400 acres of forest, with abundant wildlife and a whole host of activities to enjoy including sports and leisure activities plus numerous restaurants, bars shops and spa facilities.
